Katrin Hand Sanitizer Gel Touchfree 500 ml

Katrin Hand Sanitizer Gel is a professional-grade hygiene solution designed for high-traffic environments where reliable hand disinfection is essential. With a powerful 84.3% ethanol formula, it meets the latest EN 17430 standard – a breakthrough in realistic-use virucidal testing that goes beyond traditional lab methods. This perfume-free gel offers broad-spectrum protection against bacteria, yeast, tuberculosis, and viruses, making it ideal for healthcare, food service, education, and public facilities. Compatible with Katrin Touchfree dispensers for efficient, touch-free hygiene management.

- Rich gel texture – easy to apply and spreads evenly on hands
