Product features

Eco friendly

Advantages

All ingredients have been carefully chosen for their quality, this specific application and minimum harm to the environment. The formula is readily biodegradable according to OECD 301F.

The fragrant edge

A refreshing creamy soap with a mild scent of birch. The skin is cleaned and gets a fresh scent that remains for a long time. The soap is mild, pleasant and gentle on both the skin and the environment.

Mild ingredients

Contains ingredients that are gentle on the skin making this soap especially suitable for frequent use.

No wastage

Our cartridge makes it possible to use the soap right to the end. Some residual soap (less than 2% of the original volume) may be caught in the folds of the empty cartridge.

Leak-free

Our cartridge system includes high quality pumps with vacuum function ensuring a leak and spill free operation.

Efficient

Cleans medium amounts of dirt from your hands with only 1 portion.

Caring

Contains Glycerin, which leaves the skin well-moistened and soft. Dermatologically tested and approved.

Katrin Touchfree Liquid Soap Fresh 500 ml

Product specifications

- Regulatory compliance — The cosmetic soaps commercialised under the KATRIN brand are manufactured in accordance with good manufacturing practices (GMPs). The product has been assessed for safety according to Article 10 of the Cosmetics Regulation (EC). No.1223/2009 and are considered as safe for human health when used under normal or reasonably foreseeable conditions. No significant hazard to human health or the environment is expected. The soap complies with EU regulations on animal testing. The product is in conformity with the REACH regulation EC/1907/2006 and its amendments. According to Article 13 of Regulation (EC) No 1223/2009 of the European Parliament and of the Council on cosmetic products the products have been notified with CPNP. This ensures that relevant product information, without delay, is available electronically to poison centers or similar bodies, where such centers or bodies have been established by EU-member states. CPNP Registration no: 2960448
