Katrin Plastic Dispenser For System Paper Towel Roll, White

Designed for performance and hygiene, this hand-drying roll dispenser combines high capacity with effortless operation. Featuring an upward-opening cover and easy-loading mechanism, it ensures convenient maintenance in busy washrooms.

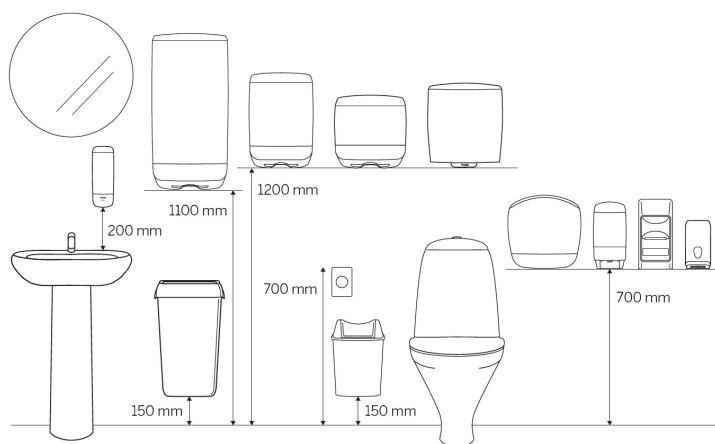

- A full range of Katrin hand-drying roll tissue qualities available
- The cover opens upwards for easy refilling
- Inserting a roll into the dispenser is done by simply letting the paper drop freely, pulling it until the marked line, and closing the cover
- The fully opening cutting mechanism is easily accessible and simple to clean
- When paper is not visible, there is an easy-to-use PUSH bar for paper feeding
- Braille instructions are provided for visually impaired users on the PUSH bar
- Controlled consumption, minimal resistance to draw and high capacity: 420–800 sheets per roll, depending on quality.
- The lock can be used with or without a key
- The whole roll is always used. Almost fully used rolls automatically drop into the stub roll position when the roll has a diameter of approximately 7.5 cm
- The empty cores can simply be pulled out sideways from the back of the dispenser and recycled
- Paper consumption is easy to control, thanks to the transparent side panels
