LONG-TERM INCENTIVES

SHARE OWNERSHIP SYSTEM FOR THE EXECUTIVE MANAGEMENT TEAM

A part of the members of the Metsä Group Executive Management Team have established a company named Metsäliitto Management Oy. Mika Joukio and Timo Karinen from the Group Executive Management Team are not participants in Metsäliitto Management.

Through the company, the management has invested EUR 3,850,000 of their own funds in Metsä Board Corporation's B shares. In addition, some of the investments of the company in Metsä Board's B shares have been financed by a loan granted by Metsäliitto Cooperative. The management themselves shoulder the ownership risk for the investment they make in the system. The purpose of the system is to encourage members of the Executive

Management Team to acquire and own Metsä Board's B shares and, through this, to increase the shareholder value of Metsä Group in the long term and support the achievement of the Group's strategic objectives.

The loan granted by Metsäliitto Cooperative will be repaid in its entirety by 31 March 2014. If the validity of the system is continued one year at a time in 2013, 2014, 2015 or 2016, the loan period will be extended correspondingly. Metsäliitto Management has the right to repay the loan prematurely at any time. Metsäliitto Management is obligated to repay the loan prematurely by selling the Metsä Board shares it holds if the stock exchange price of Metsä Board's B share exceeds a certain level defined in the system for an extended period of time.

The system will remain in force until the end of 2013 and beginning of 2014, at which time the intention is to dismantle the system in a manner to be decided later. The system will be extended one year at a time if, in October–November 2013, 2014, 2015 or 2016, the stock exchange price of Metsä Board's B share is lower than the average price at which Metsäliitto Management acquired Metsä Board's B shares it owns. The assignment of Metsä Board's B shares owned by Metsäliitto Management is restricted during the validity of the system. As a rule, the ownership of members of the Executive Management in Metsäliitto Management will remain in force until the dismantling of the system. If a member of the Executive Management Team resigns before the dismantling of the system, he/she is repaid the funds invested, but not any potential increase in value. If the system shows a loss, a resigning member of the Executive Management Team only receives a calculated share of the capital.

As of August 2010, the share ownership system has replaced the previous share-based incentive scheme for 2008–2010, under which the other management has continued. Members of the Executive Management Team were not entitled to a potential share reward according to the old share-based incentive scheme for year 2010.

A total of 6,790,887 M-real's B shares have been acquired through Metsäliitto Management, of which the President and CEO indirectly owns 1,763,867 shares and the other members of the Executive Management Team indirectly own 5,027,020 shares.

SHARE-BASED INCENTIVE SCHEME FOR EXECUTIVES

Share-based incentive scheme for 2011–2015:

The Board of Directors has accepted a share-based incentive scheme for Metsä Group's executives for the years 2011–2015. The first earning period which lasts three years is from 2011 to 2013. The Board of Directors of Metsäliitto Cooperative shall determine the executives who belong to the target group and their maximum rewards at the beginning of every three-year earning period. The maximum reward is expressed as a number of shares. Attaining the targets established for an earning period determines the proportion of the maximum reward that shall be paid to the executives. Any reward will be paid partially in Metsä Board Corporation's shares and partially in cash. The amount paid in cash covers the taxes and tax-like charges resulting from the reward. The shares cannot be transferred during a commitment period of two (2) years. The reward will not be paid if the person's employment has terminated before the payment of the reward. In addition, any rewards that have been paid must be returned if the person's employment is terminated as a result of the person being dismissed or giving notice within two (2) years of the end of an earning period. The possible reward from the earning period of 2011–2013 is based on the development of Metsä Group's equity ratio, return on capital employed (ROCE), and earnings before interest and taxes (EBIT). The reward from the earning period equates in value the maximum of altogether approximately 4.7 million in Metsä Board's B shares including the share payable in cash (including the rewards of Metsä Board's share-based incentive scheme).

Share-based incentive scheme for 2008–2010: The previous share-based incentive scheme for 2008–2010 offered the target group an opportunity to receive Metsä Board Corporation's B shares as a reward for the attainment of the objectives of three (3) earning periods each comprising one (1) calendar year. The amount of reward paid from the share-based incentive scheme was tied to Metsä Group's performance development and on its ground the reward of the scheme in 2010 was 133 595 in Metsä Board's B shares (including the rewards of Metsä Board's share-based incentive scheme).

Those members of Metsäliitto Group's Executive Management Team participating in

Metsäliitto Management Oy were not entitled to the rewards of the share-based incentive scheme for the financial period 2010. The share-based incentive scheme ended at the end of year 2010 and rewards based on it are no longer paid. The scheme has been dissolved in spring 2011.

Additional information on the share-based incentive scheme is given on item 36 on Notes to the accounts.

In 2011, the annual contribution of the President and CEO's benefit-based pension scheme was 77.5% of the total salary and remuneration paid by Metsä Group companies to the President and CEO. If the contract of the President and CEO should terminate before retirement age, he/she is entitled to a paid-up policy.

The level of pension is 60% of the total salary under the Employees' Pensions Act, calculated on the basis of the five-year period preceding retirement. If the employment relationship with Metsä Group ends before retirement age, a member of the Executive Management Team is entitled to a paid-up policy.
