Metsä Board's remuneration principles

In accordance with Chapter 5, Section 3a of the Finnish Companies Act (624/2006), this Metsä Board Corporation's Remuneration Policy is presented to the Annual General Meeting convened for 26 March 2020. The policy has been approved by the company's Board of Directors and is prepared according to the Finnish Corporate Governance Code 2020. The Remuneration Policy includes a description of the remuneration principles applicable to the company's statutory governing bodies, the Board of Directors and the CEO, and of the decision-making process concerning remuneration as well as of the conditions for temporarily deviating from the policy in exceptional circumstances.

The Remuneration Policy is presented to the General Meeting at minimum every four years and whenever it has been subject to material changes. Should the General Meeting not endorse the Remuneration Policy, a revised policy would be presented to the following Annual General Meeting. The Board of Directors' Nomination and Compensation Committee monitors and assesses the policy's application and the implementation of the remuneration systems based on the policy. When necessary, the committee also makes proposals to the Board of Directors to update the policy.

This Remuneration Policy has been published as a stock exchange release on 26 February 2020 in connection with the financial statements, and is available on the company's website at <https://www.metsaboard.com/Investors/Pages/default.aspx>.

The Board of Directors' Nomination and Compensation Committee presents to the Annual General Meeting proposals on the Board of Directors' remuneration, taking into account this policy, the company's financial standing at the time as well as the level of remuneration in other comparable companies, among other things. When necessary, the committee consults the company's majority shareholder, which exercises a controlling interest at the General Meeting with regard to Board remuneration. The following graph presents a general description of the decision-making process.

CEO

The Board of Directors decides on the remuneration of the company's CEO in accordance with the principles of this Remuneration Policy. The Board of Directors approves also the structure, target groups and principles of the company's remuneration systems, as well as selects the performance indicators used and sets related target values.
